MISSIONARY PASSES AWAY.

The Journal regrets to herald the death of Rev. G. W. Goodman, which occurred at his late residence in this city Wednesday afternoon, Dec. 22, 1915.

Rev. Goodman was born in Clarke County, Ala., in 1860, and moved with his parents to Robertson County, Tex., in February, 1881. He became a minister twenty years ago and served as Baptist missionary in Robertson, Brazos and Ellis counties for several years, and was at present serving Limestone County in the same capacity.

Bright's disease is said to have been his affliction. His remains were embalmed and shipped to Waxahachie for burial.

This excellent man and faithful servant of his Master will be missed by his people more than we can tell, and the Journal joins in condolence to the bereaved ones.—Greesbeck Journal.

The many friends of Rev. G. W. Goodman in this county were grieved to hear of the death of this faithful Christian soldier. The writer knew him as he was, as God would have him; "loving and kind, tender and true." In a future issue of this paper will appear a biographical sketch of the life and work of the lamented and loved George Goodman.—Franklin Texan.

WANT SWITCH REMOVED.

Petition Circulated Asking for Removal of Interchange Switch Track.
A petition was circulated today by Sam B. Wilson and J. S. Doane among the business men asking the city council to take steps to have the spur track removed that runs just back of the opera house, Carnegie Library, Hotel Bryan and on south by the brick warehouse. The petition was unanimously signed. The removal of this track has been up for some time between the city and the railroads and at one time it was thought to be settled and would be moved at once. A hitch occurred, however, and no further action has been taken. The citizens' petition will be presented to the council at its meeting tonight.

EMPEROR WILLIAM WELL AGAIN.

Kaiser No Longer Remains in Apartment, but Takes Long Walks.
Berlin, via London, Jan. 14.—Emperor William again is in good health. He no longer remains in his apartments, but takes his usual walks in Potsdam in pleasant weather.
The boy on the emperor's neck has so far healed that he is again wearing his uniform, but he leaves the high collar open to prevent pressure on the tender spot.
"An official who conversed with the emperor Wednesday and Thursday said he was in exceptionally good spirits and there was nothing to justify the pessimistic reports about him printed abroad."

CHIEF ELECTED BY FIRE DEPARTMENT

Honor Conferred Upon C. E. Jenkins, One of the Oldest and Most Faithful members of Department.

The annual meeting of the delegates of the Bryan fire department was held last night to elect officers to serve during the ensuing year. Assistant Chief Jenkins presided over the meeting, with Delegates W. Rucht, G. M. Brandon, Jeff Cole, Geo. W. Smith and J. W. Hamilton of Company No. 1, and Jno. Reid, A. D. Graham, W. J. Christian, H. A. Saunders and N. B. Tucker of Company No. 2 present.

The following officers were elected to serve during the ensuing years: C. E. Jenkins, chief; J. W. Hamilton, assistant chief; Jno. Reid, secretary; Rev. C. T. Tally, pastor of the First Methodist Church, chaplain of the Bryan fire department.

J. T. Lawler was elected an honorary member of the department.

After the completion of theselection, C. E. Jenkins, newly elected chief, made a brief talk, stating that he appreciated the honor conferred upon him, and that with the co-operation of the two companies of the department he believed his term would be highly successful.

Mr. Jenkins, the newly elected chief of the department, deserves here just a word of praise for his record as a fireman in Bryan. He has been a member of the Bryan department for thirty-one years of the thirty-six he has been a resident of this city.

During this time he has worked for the up-building and growth of the department and through his efforts the auto truck was purchased and Company No. 2 was organized. He was also influential in securing the new wagon bought recently. He has been a member of the State Fireman's Association nearly all his life and is recognized by that association as one of the most competent volunteer fire department chiefs in the state. Mr. Jenkins takes great interest and a prominent part in every annual convention.

The Bryan fire department is to be commended on its selection, as Mr. Jenkins is certainly an untiring worker himself and demands efficiency or no service at all from all the members.
